

FALCON 1986

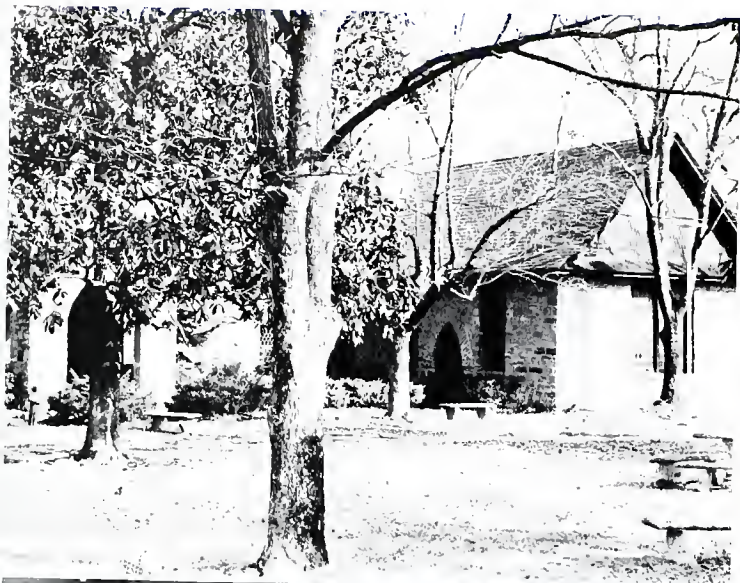

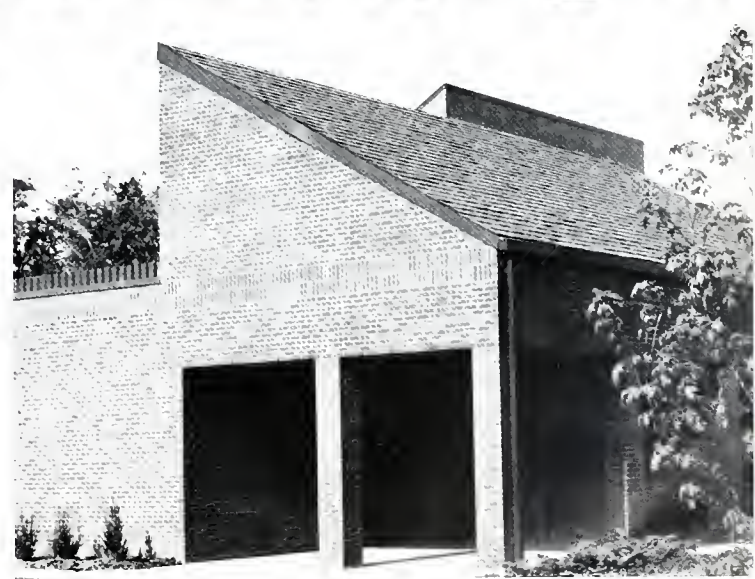

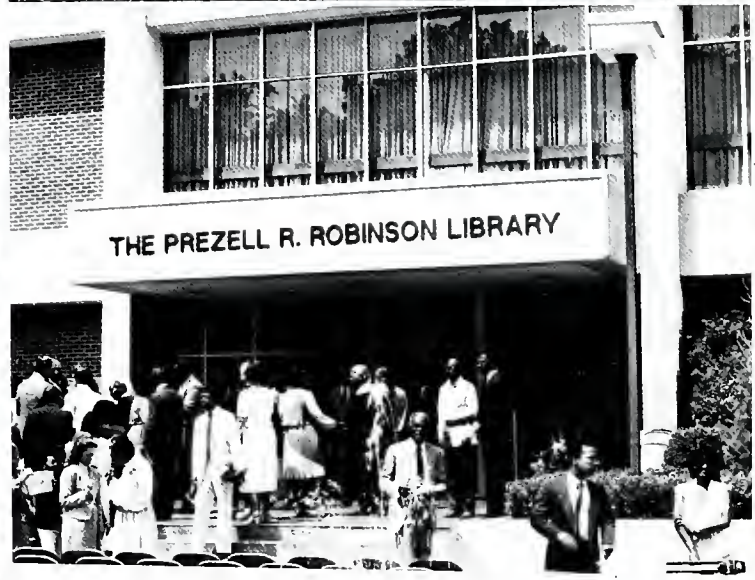

“It was like a little shack with a handful of students.” These words came from a noted scholar who viewed Saint Augustine’s in its early years.

Today, tomorrow, we treasure what was once a little shack — We take a future flight, often looking back. Our school, with its great history, has taken progressive strides into the future. The Hunter Building has changed its windows, and the office work for next year is already at hand. The Boyer Building has never been so lovely. The once small library has its new presidential name, and the knowledge that makes tomorrow profitable is stacked on the shelves. Penick Hall shows off its scientific models. Communications has taken its stand, and every ear awaits a Saint Augustine’s College broadcast.

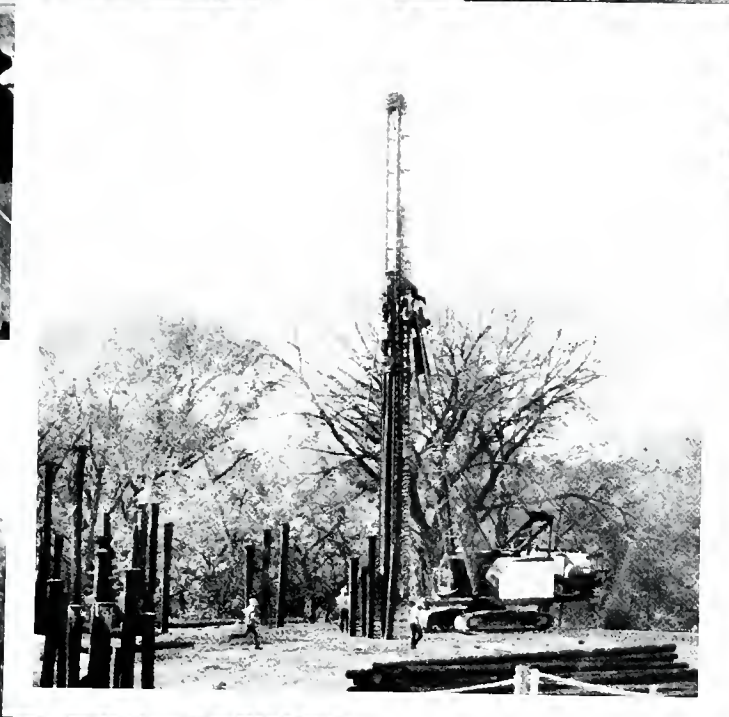

While the Chapel reminds us of the past, every prayer cries out a future sound. In Baker, Delaney, Lynch, Atkinson, Latham, and Chesire, those who lie in the bunk beds are thinking at an advanced pace like never before. As the college's leaders prepare for tomorrow's coming, the nails and hammers work rapidly for a dormitory that will be one of the best in the country.

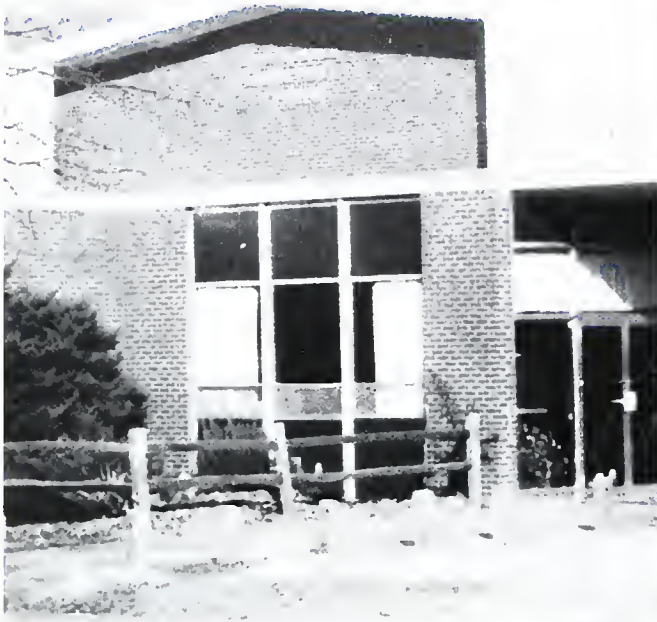

As plans continue to be drawn, the period of 1985-86 will stand as a remarkable one. The yearbook staff has made it a point to keep up with the pace with clicking cameras and 'peckable' typewriters. The photographs and literature from page to page reflect our FUTURE FLIGHT.

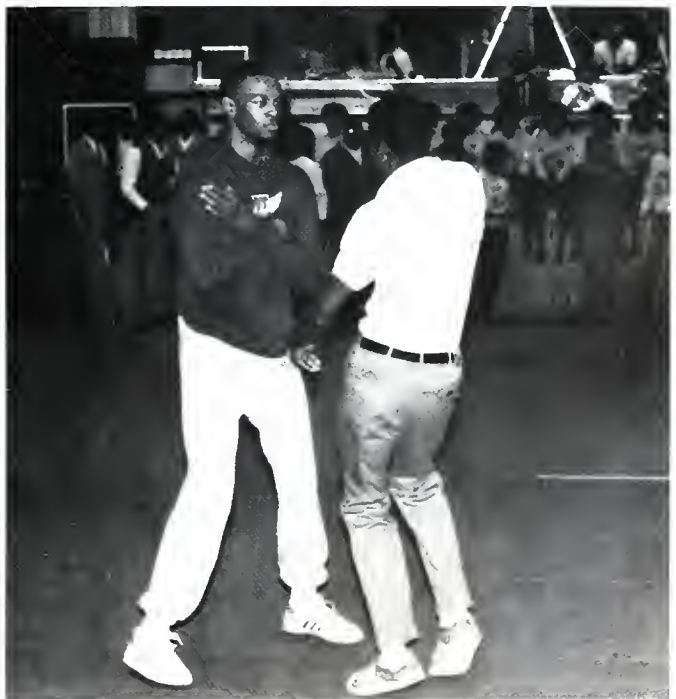

Our teachers offer knowledge while students grasp it; the educational progress continues day and night —
The moments golden, the pages turn, the Falcons take a FUTURE FLIGHT . . .

— Peter Adderley —

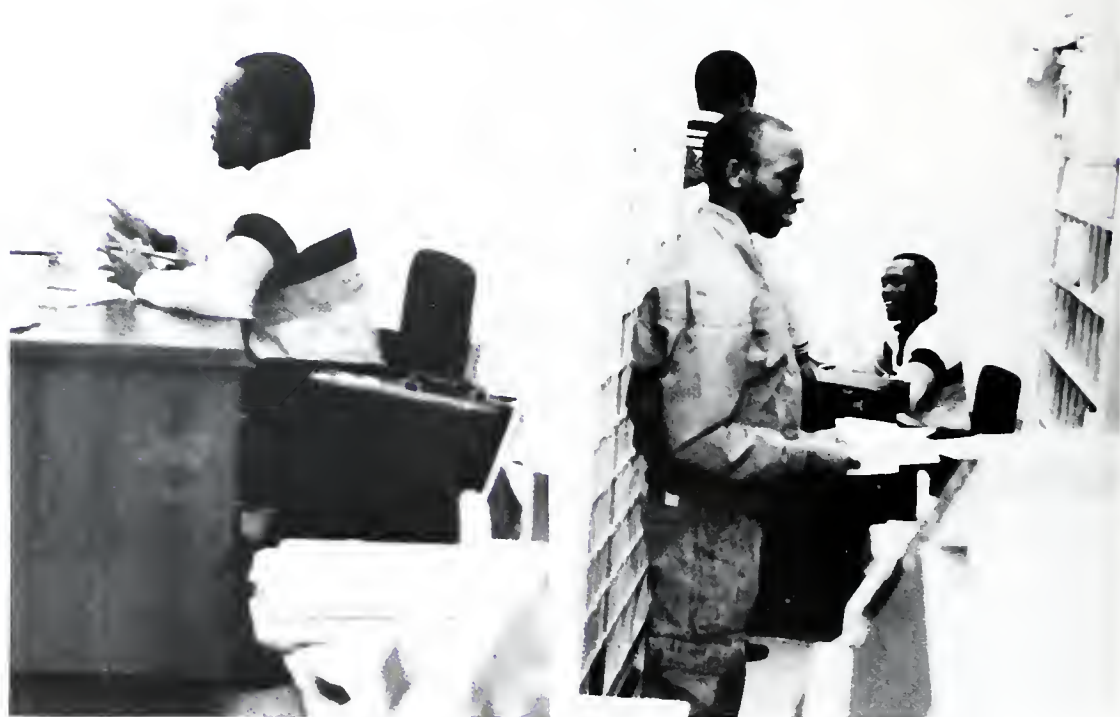

SAINT AUGUSTINE COLLEGE

DEDICATION

The Reverend Dr. Cyril C. Burke

The Yearbook Staff dedicates the 1986 Falcon to Reverend Dr. Cyril Burke for his kindness, patience, and wisdom. We are indebted to Father Burke for his warm smile, his enthusiasm, his lively sense of humor, and his loving support. He is a source of inspiration and strength to us all. The 1986 Falcon is dedicated to Father Burke with gratitude, respect, and love.

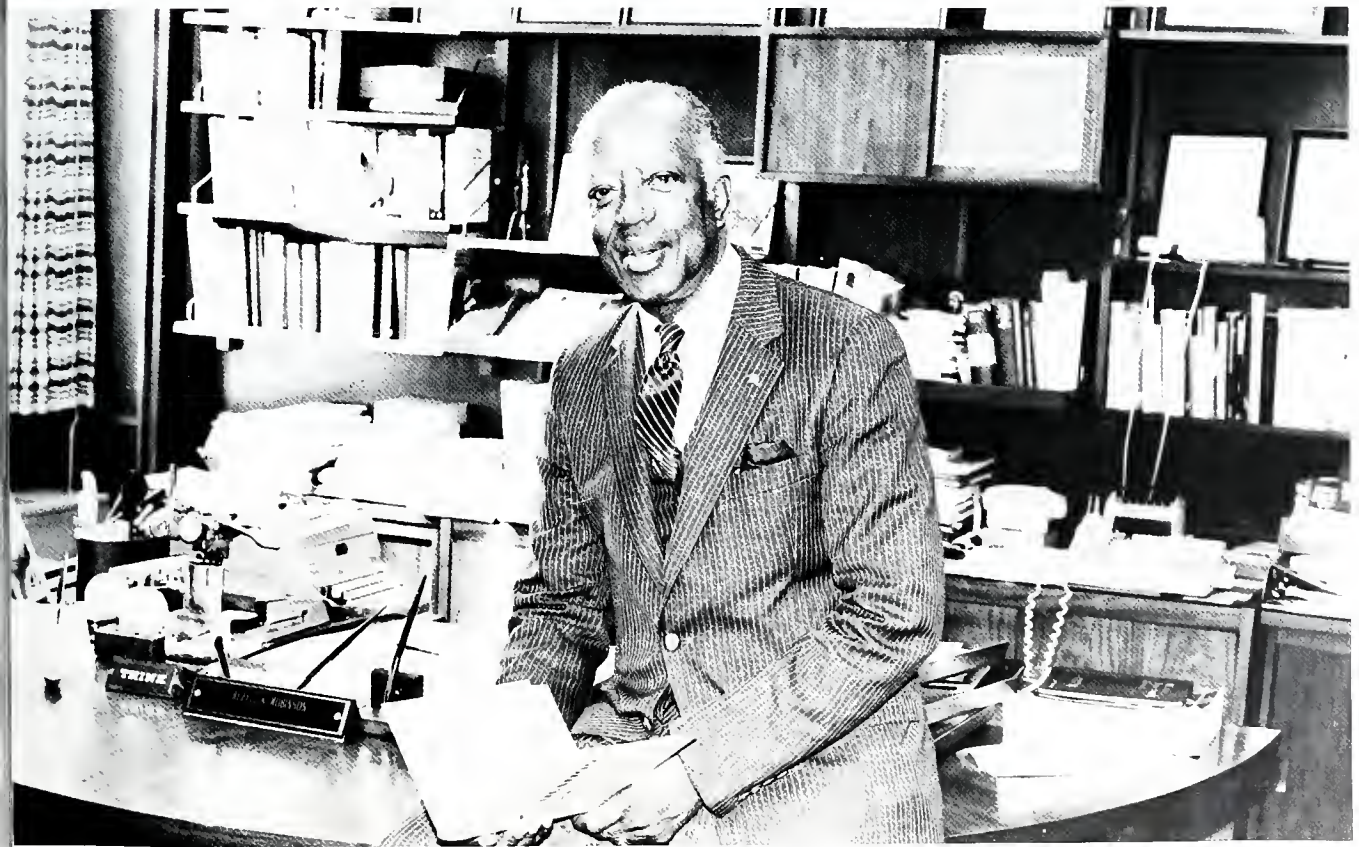

A black and white photograph of a man in academic regalia, including a mortarboard and a gown with striped sleeves, speaking at a podium. He is wearing glasses and has his hands on papers in front of him. A microphone is positioned in front of him. The background is slightly blurred, showing other people in regalia.

TO: AUGITES, FACULTY, STAFF, ALUMNI & FRIENDS

We cannot predict what the next decade will bring. Our lives seem to center around economic factors we cannot control or foresee. As administrators of an organization so dependent on the goodwill and support of an outside constituency, we remain on the knife edge between success and failure. If our family — alumni, faculty, student body and staff guard our flank, we can only become stronger within ourselves. If our benefactors — foundations, corporations, donors, and governmental institutions on the national, state, and local level continue their support, we can only become better capable of doing the job of educating young people. Our future, simply stated, depends on all of us doing the best we can. Our best must be in educating young minds, the strengthening of young bodies, and the bolstering of young spirits. If we succeed in turning the uninformed young person of today into the productive citizen of tomorrow, we have secured the future for generations to come. With your help, there cannot be any other result.

IN THE CAFETERIA

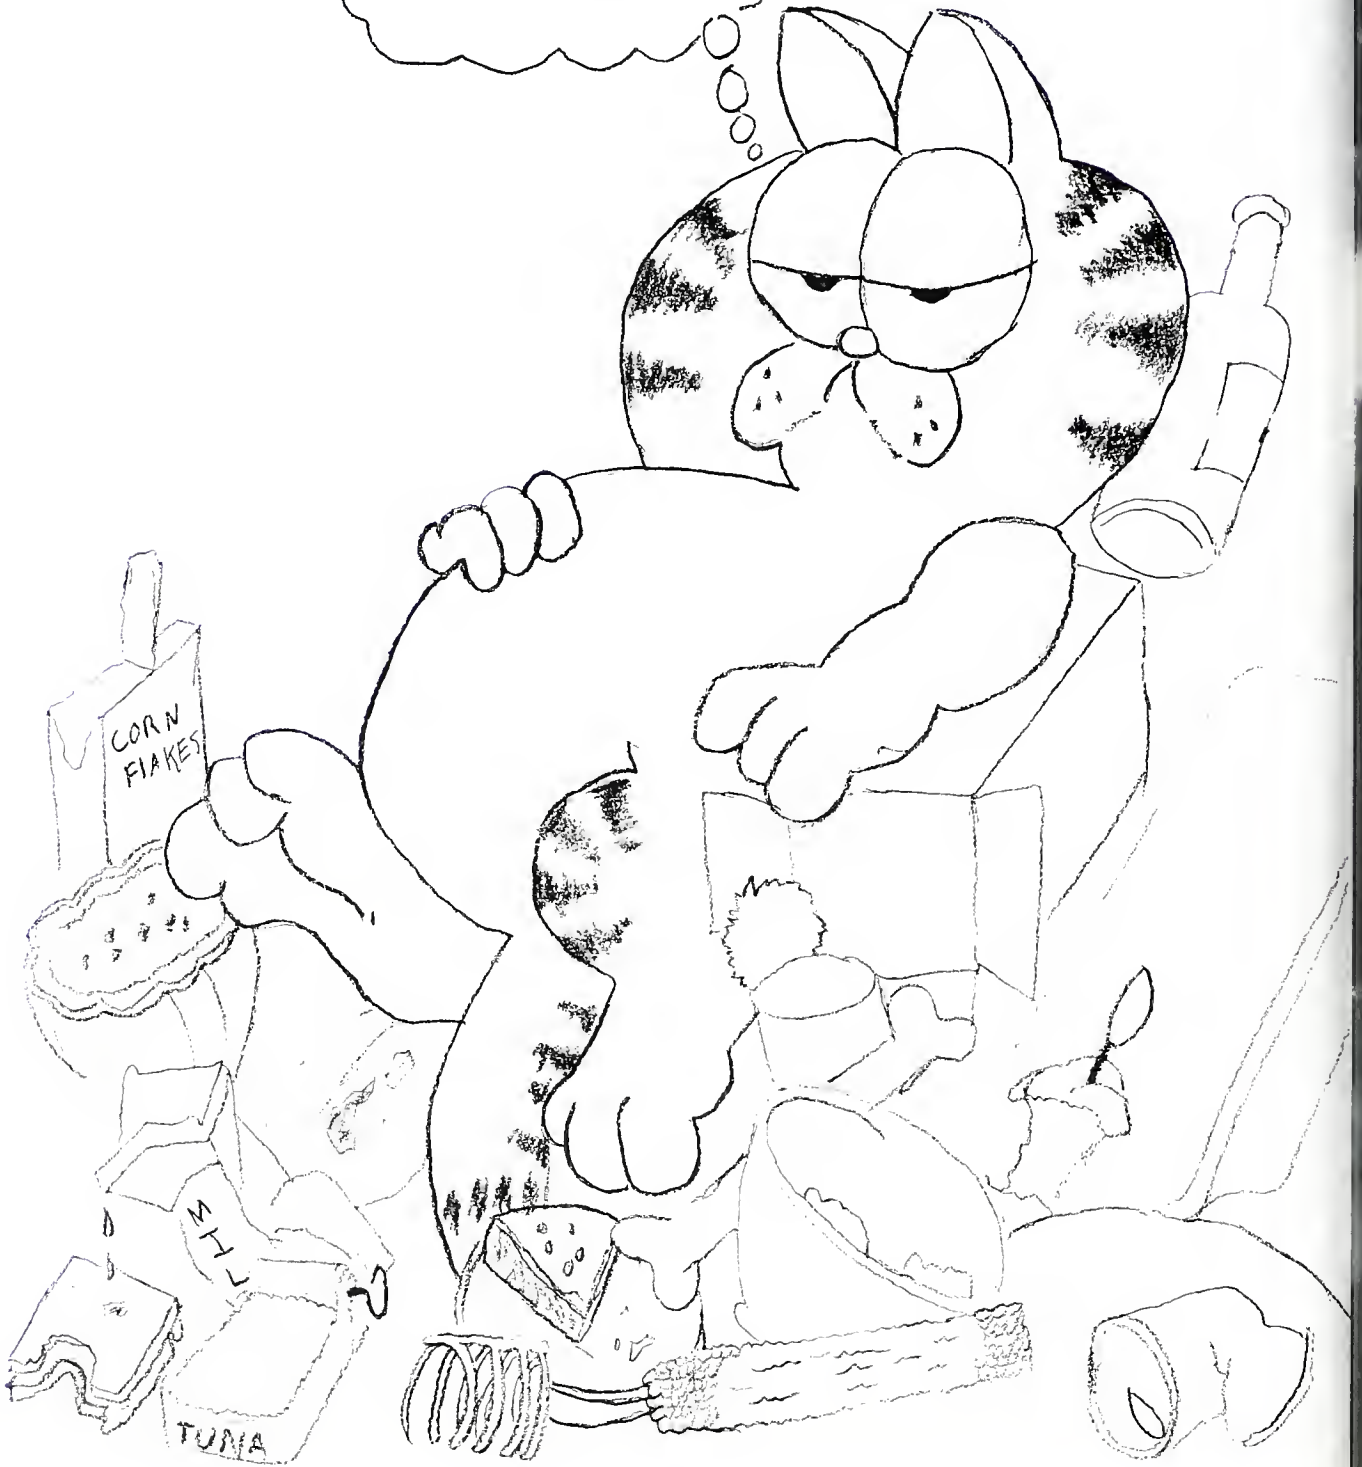

The College Cafeteria

The aroma fills the air; there is always conversation; in and out the students go — The Saint Augustine's College Cafeteria. Complaints are heard, but plates are always left empty. A hardworking staff services a student body that is always prepared to eat. One of the most popular places on campus is the College Cafeteria.

I would like to thank you for supporting me during the course of my reign. My reign has been full of wonderful experiences. During my reign, I have tried to be a role model for the young ladies at Saint Augustine's College and to represent the College with poise and dignity.

I want to extend very special appreciation for the support of Mr. and Mrs. Willis Curtis Weatherspoon and family. Without their support, I do not think that I would have ever become the person that I am today.
